# The Ultimate Egg Drop Challenge©

Would your leaders and team members benefit from a critical thinking, competitive and engaging team building experience?

**The Ultimate Egg Drop Challenge©** - This activity brings out immense creativity, teamwork, strategy, resourcefulness, and engineering to complete. Each team will receive a mystery box of goodies and instructions to build a contraption that protects an egg from a drop from the top of a ladder, or from a ledge or balcony at a pre-determined location at the venue. This contraption will need to meet very specific requirements that our team will outline. Each group will have a box of supplies and a set amount of 'Breakthrough Bucks' to use to buy additional materials and tools to build their egg-saving contraption. The remaining 'Breakthrough Bucks' result in the profit that they make from building their egg-saving contraption. The joy and positive outcomes enrich team morale and foster greater respect and collaboration with their team members. Each team will get to present their egg-saving contraptions we will discover which eggs have survived.

- Building a performing team with good communication (both verbal and non-verbal), leadership, bonding, fun, trust, and more.

This Team Building activity is filled with so much laughter and fun. This unique Team Building experience highlights aspects of teamwork, bonding, performance, and leadership that your teams need to succeed. It breaks down the silos that may exist within your teams because each team will be a mixture of different departments and the strengths of each member will be highlighted.

We instill our company values of *Engagement*, *Breakthrough*, and *Passion* into every team-building experience. We can add one of our team building activities with an existing course/workshop/program. When we design our Team Building Experiences we meet with your leaders and discuss/tailor the best options. Here are some of our Team Building Activities.

## Training Options

We will lead this workshop as a solo event. You may also inquire about our dozens of other experiential team-building activities such as firewalking, board-breaking, team trust activities, and more. This challenge can be led in conjunction with one of our other training options. It is possible to run this experience in 1-2 Hours. In the Half Day format, we would have time to incorporate other team building, leadership, motivation, communication elements with the experience. We could even integrate the Life Languages™ Communication Styles Profile, DISC Profile, or VIA Character Strengths Profile to enhance the team building as we would highlight diverse learning outcomes where team members learn to better perform and communicate as a team. The complete Egg Drop Team Building Experience© will last for 1/2 day with one of our other courses taught for the other 1/2 day.
