# Custom Team Retreats

Do you want to get ultimate success and breakthrough with your team by taking them away on a corporate team retreat?

We offer corporate retreats on a large variety of topics. Corporate retreats can be led with leadership groups or with an entire team. We could come in to deliver a half-day or full-day training with fun and interactive sessions from any of our courses such as the Life Languages™ Communication Breakthrough course. We could run sessions on discovering your individual or company values, vision, and purpose. We can facilitate sessions where we develop your strengths with communication, leadership, conflict resolution, rapport building, sales, or more. We could run sessions on building healthy and cohesive teams. We can integrate one or more of our proprietary team building activities. We work with your stakeholders to customise the training and team building agenda. Your custom team retreats have the following benefits:

- Nurture closeness and bonds among team members.
- Facilitate amazing communication breakthrough with team members.
- Build up skills and effectively perform as a team.
- Increase team morale and joy.
- Express gratitude and appreciation for your team members.

Furthermore, our retreats are often led with fun and creative team-building aspects that get your team to really think and work things out. We have team development and team-building activities that we could include in your retreat. Your leaders may have some of the sessions that they want to run internally. This is great as we will work with you to complement our part with you. Our team building activities can include team bonding competitions with the ultimate team challenge, egg drops, lego builds and more. Luke Ashcroft can also explore possibilities with leading a fear breakthrough workshop with optional board breaking and/or firewalking experience as well. As you can see there are possibilities for you. If you want to create lasting positive experiences and strengthen employee relationship with your company, then plan a team retreat with us.

When we talk to Team Leaders about retreats we find there are a lot of aspects to plan for. We can lead sessions for corporate retreats that companies are already hosting. Depending on the scope of the team retreat, we could find the retreat location and plan other necessary aspects that will make your experience amazing. Some venues that you may want to consider are Glen Worth Valley, Kangaroo Valley, Stanwell Tops, Sydney Northern Beaches, Sydney Maroubra Beach, Blue Mountains, Nowra, Berry, Central Coast, Cairns, Gold Coast, Melbourne, Perth, Adelaide and many other locations. We can explore any possibility for a retreat in Australia.

We will customise this team retreat to meet your needs. We will evaluate your needs and propose the right plan to ensure your retreat is amazing. Call +61 481 307 778 or email [office@breakthroughcorporatetraining.com.au](mailto:office@breakthroughcorporatetraining.com.au) for more information.
