The Fear Breakthrough Workshop with optional Board Breaking Activity

Would your leaders and team members benefit from a fun and engaging workshop with an optional board breaking activity?

Help your team break through doubts, fears and limiting beliefs.

This workshop will help your team breakthrough their fears and envision their desired future. There is an optional Board Breaking Experience that participants can voluntarily choose to participate in. Participants will learn about the psychology of fear and breaking through that fear by adjusting their mindset. Even if they choose not to participate in the optional Board Breaking Experience participants there will be a lot to learn and activate with mindset, confidence and action taking. The optional Board Breaking will be at the very end of the workshop.

Our Fear Breakthrough Process© includes identifying negative patterns of self-talk and uncovering limiting stories and where they come from. We will lead you through a journey of breaking out of your familiar zone and creating new empowering beliefs. We will motivate and inspire your group as we incorporate The Ultimate Goal Setting and Envisioning Process©.

This Breakthrough Corporate Training Course will include the following outcomes for your team:

- Identify and articulate limiting beliefs
- Learn how to look beyond what is considered possible when setting goals
- Learn practical ways to break through fear and limiting beliefs
- Harness the power of the team to build strength and belief
- Learn about the keys to create an abundance mindset and to awaken the wild lion within.
- Participate in the optional board breaking activity and experience the exhilaration of breaking through!

This workshop is accompanied by interactive workshop sessions that are customised to your team. Luke Ashcroft is your leader for the board breaking activity and Scott may assist with workshop learning topics. Here is an example agenda:

- The Palace of Possibilities – Overcoming Limiting Beliefs© – (1:30 pm – 1:45 pm (15 Mins)
- The Ultimate Goal Setting and Envisioning Process© – 1:45 pm – 2:00 pm (15 Mins)
- Awaken the Wild Lion Within – (2:00 pm – 2:15 pm (15 Mins)
- Science of Board Breaking and Safety Talk – (2:15 pm – 2:30 pm) (15 Mins) – Luke Ashcroft will explain the science of board breaking and give a safety talk. This talk is mandatory for all board breaking activity participants.
- The Optional Board Breaking Activity – (2:30 – 2:45 pm) (15 Mins) - In this optional activity Luke will lead your team through a board breaking experience. Participants are told about the dangers and risks, and they must have signed a Voluntary Release Form. Each team member will write their limitations, fears, and barriers on a solid martial arts board. After leading your team through a process of uncovering new and empowering beliefs we ask them to write those on the back of the board. Next, it is time to teach your team the physical skills to break a wooden board with their bare palm! We take skills and strategies from various martial arts to show your team how to harness their strength and focus it on breaking the board. Action time! Every team member gets the chance to break through their wooden board. This builds an amazing sense of camaraderie and excitement in the team as they witness their friends and colleagues smashing through their fears and limitations. Our experience culminates with writing down our action steps and strategies, personally and as a team, to breakthrough our fears and limiting beliefs.
- Takeaways and Celebration – 2:45 pm – 3:00 pm (15 Mins) - We will celebrate our success together and encourage each other on our individual and collective journeys together. We will then activate steps to implement the change.

We will lead this workshop as a solo event, or it could be led in conjunction with one of our other Courses.
