# Professional Onsite and/or Online Coaching

Are you looking for Professional Coaching for your Leaders or Team Members?

## One-On-One Coaching with your Leaders and Team Members

On-site at your Sydney Location or  
On-line via Zoom.us or MS Teams

Numerous studies have shown the benefits that coaching has on ROI. That is why at Breakthrough Corporate Training we offer workplace/executive coaching. We work directly with executives, management and middle management, and your employees. Our focus is to co-create the right Coaching Success Plan that will get you and your team accelerated results. Scott Epp and Greg Beech are both Professional Coaches with prestigious Certifications from The International Coach Academy (Scott) and Life Forming Leadership Coaching (Greg). Scott and Greg Each have 10,000+ hours of One-On-One Personal Coaching Experience. We also offer additional seasoned Professional Coaches who specialise in different areas. We can provide specific coaching as an add-on from one of our Course/Workshops such as specific Communication Coaching with individual's Kendall Life Languages™ Profile or preparing for a presentation. Professional Coaching with your leaders and team members have the following benefits:

- Empower your Team Members and provide support and accountability.
- Coaching on individual profiles/assessments that are integrated with our group training.
- Inspire and draw the best out of each of your employees.

Professional Coaching with your individuals will enrich the results of our training Courses that we offer. One way that we can add-value to your team members is by giving them individual 45-60 Minute Coaching sessions on specific topics that are taught in our group training courses. We can coach individuals with the profiles and assessments that we integrate in selected Courses.

Here are the Profiles and Assessments that we could Coach your team members on for added individual benefit:

- In-depth Personal Coaching on The Kendall Life Languages™ Profile which was integrated in The Life Languages™ Communication Breakthrough Course©.
- In-depth Personal Coaching on The 5 Dysfunctions of a Team© Assessment which was integrated in The Healthy and Cohesive Teams Course©
- In-depth Personal Coaching on Selected principles out of the 40 Principles integrated in The Character and Principle Driven Team Course©
- In-depth Personal Coaching on VIA Character Strengths Profile© which was integrated in The Strengths-Based Approach for Teams Course©
- In-depth Personal Coaching on The Breakthrough Assertiveness and Confidence Assessment© or The Confidence Role Model Tool© which was offered with The Breakthrough Assertiveness and Confidence Course©.
- In-depth Personal Coaching on The Predictive 6-Factor Resilience Assessment© which was integrated in The Breakthrough Resilience and Well-being Course©.
- In-depth Personal Coaching on The Abundance Life Wheel and The 5 Keys to Holistic Self-Awareness and Accountability which was integrated in The Holistic Self-Awareness and Accountability Course©.
- In-depth Personal Coaching on the Abundance Coaching Story Breakthrough Tool© which was integrated in The Underlying Beliefs Breakthrough Course©.

The overall coaching is aimed to help participants advance personally and professionally through high calibre personal coaching.
