The Ultimate Goals and Vision Workshop©

Would your leaders and team members benefit from having a fun and inspiring workshop where everyone created their own personal vision board?

If you want to have an ultimate year as an organisation or personally, then you need to focus and plan. Prepare to be inspired through our proven process that will help you create your plan and vision for your ultimate year based on YOUR personal and professional priorities. The intention of this workshop is to create awareness, plan for success, and take focused action.

Are you looking for a creative solution to clarify your organisational vision, mission, values, and goals? We can lead this workshop for leadership groups. This collaborative, engaging, creative and interactive workshop will be customised to your organisation/leadership needs. You will find that people love to ask their colleagues about their vision board, and this will bond the individuals and create healthy team morale. There is always a lot of joy and excitement when people share about their vision and their creative vision boards. This workshop is only available on-site. We could lead this workshop for your leadership team at your next retreat or off-site day and we could incorporate your organisational vision, priorities, and goals. This workshop is potentially the most creative, effective, and fun workshop you could ever attend.

Imagine how impactful it would be if your team members had clearly set goals and a vision board to achieve them! This engaging workshop will empower your participants with their goals setting, teamwork and creativity. Initially, there will be a learning approach where all participants will learn about the 5 Pillars that we use to effectively set goals based on the right priorities. We also have a process that we teach for creating your Ultimate Year Vision Boards. Participants will have a workbook to complete their goals and priorities before they complete their vision board.

We have an enormous assortment of different types of supplies that we bring to the workshop. Our thousands of materials include cut out poster size bristle board, pictures, magazines, scrap booking borders, raised banners, double sided tape, markers, coloured paper and much more. Every person will receive an A2 size white piece of cardboard, scissors, glue, and access to all of the supplies. We do encourage people to bring their own personal photos if they desire.

This Breakthrough Corporate Training proprietary workshop will include the following outcomes for your team:

- Discover your one commitment for the year.
- Uncover the personal and professional blocks and limiting beliefs that are holding you back.
- Get motivated with a higher level of resilience and mindset.
- Navigate through The Ultimate Vision Blueprint©.
- Mastermind in a creative and inspiring environment.
- Set your goals based on your ultimate life priorities and feel free and equipped to take on your ultimate action plan.
- The Ultimate Vision Board Activity© (This highly acclaimed activity is optional, and it requires 1 – 2 hours).

The overall training/coaching is aimed to help participants advance with their personal and professional vision and goals. There is an optional activity where participants can create their vision board with thousands of supplies that we provide.
